

What is a Verb?

A verb shows an action, occurrence, or state of being.

Examples:

run, eat, write, jump, think, sing, sleep, become...

run

He **runs** every day.

eat

She **eats** lunch.

write

I **write** a letter.

jump

They **jump** high.

think

He **thinks** carefully.

Examples:

- I walk
- He **walks**
- They **walked**
- She is singing
- We have played

Helping Verbs

Helping verbs help the main verb.

Examples:
is, am, are,
was, were, have,
has, will, can...

Example:

She **is reading** a book.

Verbs

Verbs are **action words**.
They tell us **what** someone or something is **doing**.

Forms of Verbs

Verbs can change form to show tense, number, or person.

Types of Verbs

- ☆ Action Verbs (run, eat, play...)
- ☆ Linking Verbs (be, seem, become...)
- ☆ Helping Verbs (is, have, can...)

Remember!

- ☆ Verbs are the heart of a sentence.
- ☆ They tell us what happens.
- ☆ Without verbs, there is no action!

You can do it!
😊

What is a Verb?

- *A **verb** is a word that expresses:*
 - **an action | a state | an occurrence**
- *Every complete sentence needs a verb.*
 - She **runs** every morning.
 - They **play** football.
 - He **is** happy.
 - The baby **slept** peacefully.

Why Are Verbs Important?

- *Verbs tell us:*
 - What someone does
 - What happens
 - What someone is
 - When an action happens
- *Without verbs, sentences cannot express complete ideas.*
- ✗ She a teacher. ✓ She **is** a teacher.

Types of Verbs

- *The **five** main types are:*
- **Action Verbs** – run / dance / study...
- **Linking Verbs** – be / become / seem...
- **Helping (Auxiliary) Verbs** – can / is / were ...
- **Transitive Verbs** – read + object / open + object ...
- **Intransitive Verbs** – sleep / laugh / cry

Action Verbs

- *Action verbs describe **physical** or **mental** actions.*
- **Structure: Subject + Action Verb**
 - She **runs** every day.
 - They **dance** well.
 - He **writes** novels.
 - We **study** English.
 - I **think** about my future.
- *Both physical and mental activities are action verbs.*

Linking Verbs

- *Linking verbs **connect** the **subject** with **information** about the subject.*

*They do **not** show action.*

- **Common Linking Verbs**

- **be | become | seem | appear | feel | look | remain | stay**

- She **is** a doctor.

- He **became** famous.

- The soup **tastes** delicious.

- They **seem** tired.

Helping (Auxiliary) Verbs

- *Helping verbs work together with the main verb. They help form:*
- **Tenses | Questions | Negatives | Passive Voice | Continuous Forms | Perfect Forms**
- **Main Helping Verbs**
- **be | have | do**
- **Modal Helping Verbs**
- **can | could | may | might | shall | should | will | would | must**

Examples of Helping Aux Verbs

- **Present Continuous** - She **is** studying now.
- **Present Perfect** - They **have** finished.
- **Passive Voice** - The car **was** repaired yesterday.
- **Question** - **Do** you like coffee?
- **Negative** - He **does not** understand.

Transitive Verbs

- *A transitive verb requires a **direct object**.*
- **Structure: Subject + Verb + Object**
 - She reads **a book**.
 - They bought **a new car**.
 - He opened **the window**.
- *Without the object, the meaning feels incomplete.*

Intransitive Verbs

- *An intransitive verb does **not** need a direct object.*
- **Structure: Subject + Verb + Object**
 - He **sleeps**.
 - The baby **cried**.
 - Birds **fly**.
 - She **laughed** loudly.

Transitive vs Intransitive

Transitive	Intransitive
Needs an object	No object needed
She bought a car.	She slept.
They opened the door.	They laughed.
I wrote a letter.	The baby cried.

Verb Tenses | Verb Aspects

- *Verbs change form to show **time**.*

- **Present** - I work.
- **Past** - I worked.
- **Future** - I will work.

- *Aspect shows **how an action happens**.*

- **Simple** - She writes.
- **Continuous** - She is writing.
- **Perfect** - She has written.
- **Perfect Continuous** - She has been writing.

Verb Moods

- *A mood expresses the speaker's attitude.*
 - **Indicative** - He **is** at home.
 - **Imperative** - **Close** the door.
 - **Subjunctive** - If I **were** rich...
- **Active Voice**
 - The subject performs the action. > The boy **kicked** the ball.
- **Passive Voice**
 - The subject receives the action. > The ball **was kicked** by the boy.

Infinitives

- *An infinitive is the **base form of a verb**, usually with **to**.*
- **Structure:** **to + Verb** = to study | to work | to play
- **Functions of Infinitives** - Infinitives can work as:
- **Nouns | Adjectives | Adverbs**
- ***Infinitive as a Noun** - The infinitive acts as the **subject** or **object**.*
- **To travel** is exciting.
- **To learn** English is important.
- His dream is **to become** a doctor.

Functions of Infinitives

- ***Infinitive as an Adjective - It modifies a noun.***

- I have homework **to finish**.
- She needs a book **to read**.
- They found a place **to stay**.

- ***Infinitive as an Adverb - It explains purpose, reason, or result.***

- She studies hard **to pass**.
- He went outside **to exercise**.
- They saved money **to buy** a house.

Bare Infinitives

- *A bare infinitive is an infinitive **without "to."***
- **Structure:** Subject + Verb + Bare Infinitive
- ***When Do We Use Bare Infinitives? - After Modal Verbs***
- **can | could | may | might | shall | should | will | would | must**
- I can **swim**.
- She will **come**.
- You should **study**.

More Bare Infinitives

- *We use bare infinitive after: **make** | **let** | **help** (optional)*
- She made me **apologize**.
- My parents let me **drive**.
- He helped me **carry** the bag.
- He helped me **to carry** the bag. (Both are correct.)

Gerunds

- *A gerund is the -ing form of a verb that functions as a **noun**.*
- **Structure:** Verb + ing = Reading | swimming | running | cooking
- **Functions of Gerunds**
- *Gerunds can be:*
- **Subject**
- **Object**
- **Subject Complement**
- **Object of a Preposition**

Functions of Gerund

■ *Gerund as Subject*

- **Reading** improves vocabulary.
- **Swimming** is healthy.
- **Cooking** relaxes me.
- **Traveling** broadens the mind.

■ *Gerund as Object*

- She enjoys **reading**.
- They avoid **driving** at night.
- He finished **writing**.
- We discussed **moving** abroad.

Functions of Gerund

- ***Gerund after Prepositions*** - Always use a gerund after a preposition.

- She is interested in **learning**.
- He is good at **cooking**.
- Thank you for **helping**.
- They left without **saying** goodbye.

- ***Gerund as Subject Complement***

- His favorite hobby is **reading**.
- My dream is **traveling**.
- Their job is **teaching**.

What is a Verb?

Infinitive	Gerund
to study	studying
to travel	traveling
Can be noun, adjective, adverb	Only noun
Often shows purpose	Often names an activity

Gerund vs Infinitive

- ***Purpose of Gerunds - Gerunds are used to:***
 - Name activities | Talk about hobbies | Describe general actions
 - Follow prepositions | Follow certain verbs
 - Swimming is fun. / She enjoys cooking.
- ***Purpose of Infinitives - Infinitives are used to:***
 - Express purpose | Show future intention | Follow certain verbs
 - Modify nouns | Act as nouns
 - She studies to succeed. / He wants to travel.

Verbs Followed by Gerunds

- enjoy | avoid | consider | suggest | keep
- finish | mind | practice | miss | imagine
- She enjoys **swimming**.
- They avoided **talking**.
- He suggested **leaving** early.

Verbs Followed by Infinitives

- decide | plan | hope | expect | want
- need | promise | agree | refuse | learn
- She decided to study.
- They hope to win.
- He promised to help.

Verbs Followed by Both

- *Some verbs accept both forms.*
- **begin | start | continue | like | love | hate | prefer**
- I started running.
- I started to run.
- She likes reading.
- She likes to read.

Verbs That Change Meaning

Some verbs change meaning depending on whether they are followed by a gerund or an infinitive.

Verb	Gerund	Infinitive
stop	Finish an activity	Pause another activity to do something
remember	Recall a past action	Remember something you must do
forget	Forget a past action	Forget something you should do
regret	Feel sorry about a past action	Regret giving bad news
try	Experiment	Make an effort

Examples of Meaning Changes

- **Stop**

- I stopped **smoking**. (= I quit smoking.)
- I stopped **to smoke**. (= I stopped another activity in order to smoke.)

- **Remember**

- I remember **locking** the door. (= I have a memory of it.)
- Remember **to lock** the door. (= Don't forget to do it.)

- **Try**

- Try **restarting** the computer. (= Experiment.)
- Try **to restart** the computer. (= Make an effort.)

Common Grammar Mistakes

- ✗ I enjoy to swim. ✓ I enjoy swimming.
- ✗ She decided going. ✓ She decided to go.
- ✗ He is interested to learn. ✓ He is interested in learning.
- ✗ She made me to cry. ✓ She made me cry.
- ✗ I can to swim. ✓ I can swim.

Summary

- **Verbs** - *Express actions, states, or occurrences. Can be action, linking, helping, transitive, or intransitive.*
- **Infinitives** - **to + base verb** - Function as nouns, adjectives, or adverbs. Often express purpose or future intention.
- **Bare Infinitives** - Used after modal verbs and verbs like **make**, **let**, and sometimes **help**.
- **Gerunds** - **Verb + -ing** - Always function as nouns. Used as subjects, objects, complements, and after prepositions.
