

All

some

any

most

no

Quantifiers in English Grammar

WHAT ARE QUANTIFIERS?

- Quantifiers show **quantity** (how much / how many).
- We use **quantifiers** with:
 - **Countable** nouns (books, students)
 - **Uncountable** nouns (water, money)
- **Examples:**
 - some water
 - many students
 - all people
- **Quantifier + noun**
 - all students
 - some water
 - any books
 - most people
 - no time

ALL

- **Structure:**
 - All + plural noun / uncountable noun
- Or
 - All of + the/my/this/those + noun
- **Meaning:** hamma / barcha (100%)
- **Examples:**
 - **All those** students are here. / **All of those** students have a laptop.
 - **All** the water is clean. / **All of the water** in this region is toxic.
 - **All of this** is yours. / You bought much food. Can you eat **all of it**?

ALL – USAGE

- ✓ General truth
✓ Whole group
- 📌 **EXAMPLE:**
- **All** animals need food.
- Meaning: every animal in the world

all **of** the / this /that... = all the / this / that

all **of** the students = all the students

all **of** the milk = all the milk

all **of** those people = all those people

MOST

- **Structure:**

- **Most + plural noun / uncountable noun**
- **Most of + the/my/these/them/us/you + noun**

- **Meaning:**

- Ko'pchilik (more than 50%)

- **Examples:**

- **Most** students passed from entry exams. **Most of them** were from Uchkurgan.
- **Most** water is safe. **Most of you** don't drink enough water.
- **Most** of these children are happy.

SOME

■ Structure:

- **Some + plural noun / uncountable noun**
- **Some of + the/my/these + noun**
- **Some + singular countable noun**

■ Meaning:

- Ba'zi / bir oz (unspecified amount)
qandaydir bir, notanish

■ Examples:

- **Some students** are absent today.

- **Some of the books** are new in our library.
- **Some idiot** parked his car in my place.
- **Some girl** asked Bobur's number outside.

■ Some – usage

- ✓ Positive sentences (+)

■ Example:

- I have **some friends**.
- ✓ Unknown quantity

Any + plural /singular / uncountable noun

Any of + the/my/these + noun

■ Meaning:

- umuman yo'q / xohlagan biri/ birorta
- Do you have **any money**? (question)
- I don't have **any time**. (negative)
- **Any book** can help you to improve your knowledge. (positive) (istalgan)
- Do you have **any books**?
- I don't have **any friends** here.
- Are there **any students** in the classroom?

- We need **any volunteers**? ❌

(wrong in normal sentences)

■ With negative meaning words:

- **hardly any** – deyarli yo'q
- **scarcely any** – deyarli yo'q
- **without any** – deyarli yo'q

■ EXAMPLES:

- I have **hardly any time**.
- She came **without any help**.

NO VS NOT ANY

- **Structure:**

- **No + noun (singular, plural)**

- **Meaning:**

- Umuman yo'q (0)

- **Examples:**

- There are no students.
 - I have no money.
 - There is no milk.

- **No = not any:**

- I have no money.
 - I don't have any money.
 - Both = 0

ALL / SOME / MOST / ANY + OF

- **Quantifier + of + the/my/your/these/those + noun**

- **EXAMPLES:**

- All of the students passed.
- Some of the water is cold.
- Most of the people agreed.
- None of the answers are correct.
- Any of those books is fine.
