

DEFINING & NON-DEFINING RELATIVE CLAUSES

DEFINING RELATIVE CLAUSE

- Gives important information, without it, the sentence meaning changes or becomes unclear.
- ✕ No commas
- Examples:
 - The **students** who studied hard passed the exam.
 - The **boy** who is wearing a blue jacket is my brother.
 - The **book** that I bought yesterday is interesting.
 - The **people** who live next door are friendly.
- We need the clause to know exactly which people/things we mean.

NON-DEFINING RELATIVE CLAUSE

- **Gives extra information.** We already know **who** or **what** we are talking about.
- ✓ **Use commas**
- **Examples:**
 - Mr. Ali, **who teaches English**, is very patient.
 - Paris, **which is famous for art**, attracts many tourists.
 - My sister, **who lives in Korea**, is visiting us next month.
 - The Nile River, **which is the longest river in Africa**, is very important.
- If we remove the **clause**, the main meaning stays the same.

IMPORTANT DIFFERENCE

- ✓ Defining:
 - The travelers **who knew about the flood** took another road.
 - Only SOME travelers knew.
- ✓ Non-defining:
 - The travelers, **who knew about the flood**, took another road.
 - ALL travelers knew.

COMMAS CHANGE MEANING

- **✓ Defining:**

- The boys who wanted to play football were disappointed.
- Only some boys wanted football.

- **✓ Non-defining:**

- The boys, who wanted to play football, were disappointed.
- All the boys wanted football.

RELATIVE PRONOUNS

Clause Type	Pronouns
Defining	who, whom, whose, which, that
Non-defining	who, whom, whose, which
Non-defining	✗ NOT “that”

“THAT” CANNOT BE USED

- **✗ Incorrect:**

- My brother, that lives in London, is a doctor.

- **✓ Correct:**

- My brother, who lives in London, is a doctor.

MORE DEFINING EXAMPLES

- **Examples:**
- The phone that I bought is expensive.
- The students who arrived late missed the test.
- The restaurant which serves Italian food is crowded.
- The woman whose car was stolen called the police.

NON-DEFINING EXAMPLES

- **Examples:**

- Tashkent, **which is the capital of Uzbekistan**, is very modern.
- Steve Jobs, **who founded Apple**, changed technology.
- My uncle, **whose house is near the river**, loves fishing.
- Ann, **whom I met at university**, works in Japan now.

OMITTING THE CLAUSE

- In non-defining clauses, removing the clause does NOT change the main meaning.
- ✓ Example:
 - These books, **which you can buy anywhere**, are useful.
 - Without clause:
 - These books are useful.
- Main meaning stays the same.

“OF WHOM / OF WHICH”

- **Used in formal English.**
- **Helps:**
 - avoid repetition
 - connect ideas smoothly
 - sound academic/formal
- **Structure:**
 - some of whom
 - most of whom
 - both of whom
 - several of which
 - many of which

EXAMPLES WITH “OF WHOM”

- **Examples:**

- I met many students, several of whom spoke Korean.
- She has two sons, both of whom work abroad.
- He invited ten people, few of whom arrived on time.
- We visited a village, many of whose houses were damaged.

NOUN + OF WHICH / WHOM

- **Structure:**
 - **noun + of which / of whom**
 - Used for:
 - **result**
 - **purpose**
 - **price**
 - **name**
 - **color**
 - **roof**
 - **title**
 - etc.

EXAMPLES

■ Examples:

- We started a project, **the purpose of which** is improving education.
- He bought a house, **the roof of which** was damaged.
- They conducted experiments, **the results of which** were surprising.
- Uzbekistan exports cotton, **the price of which** changes every year.

EASY TRANSFORMATION

- ✓ **Two sentences:**
 - I met some students. Several of them were from Korea.
- ✓ **Combined:**
 - I met some students, several of whom were from Korea.

SUMMARY TABLE

Type	Commas?	“That”?	Meaning
Defining	✗ No	✓ Yes	essential information
Non-defining	✓ Yes	✗ No	extra information
